Frankford High School

SCHOOL DISTRICT OF PHILADELPHIA

We are one of your neighborhood schools! Frankford High School is a collaborative setting engaging all stakeholders in an inspirational and respectful learning environment that prepares students to be productive global citizens. Our students can engage in Aviation, Culinary Arts, JROTC, and soon to be Hospitality and Tourism programs. We offer a large range of classes in arts, film, photo, journalism, criminal law, AP classes, and more! Additionally, we offer a number of sports and after school programs such as cheerleading, football, baseball, drama club and more! At Frankford we offer parent/caregiver workshops, and our newly opened FAWN food pantry ran by Turning Points for Children. We strive to make a difference everyday in the lives of young people and support their families within the surrounding community. #HomeofChampions

Our History

Frankford High School has a history dating back to 1910, with its beginnings in a farmhouse as an annex of Central High School. The early students called themselves the "Pioneers", a name still used today. Our current building opened in 1916, with the addition of the stadium in 1922. The gymnasium was added in 1954, an extension to the lunchroom in 1965, and the new wing in 1970. Frankford is one of the oldest high schools in the city, with a proud heritage, both on the playing field and in the classroom.
