

# Kingdom Life Christian Center

Kingdom Life Christian Center (KLCC) is a thriving multicultural ministry in NE Philadelphia. We believe that God had placed us in the midst of this community to help bring the people back into a true, spiritual relationship with God. With God's grace, the congregation is prospering and was blessed to purchase the historic Devon Theater as its new Sanctuary. Kingdom Life is in the process of covering new territory and bringing hope and resources to those in need.

The ministry of Kingdom Life Christian Center operates in many aspects of ministry, but the greatest of these is to fulfill the mission of Christ. As we meet the physical needs of individuals and families, we are able to minister to their spiritual needs with the love of God's word which will bring them into relationship with God. Our Outreach Ministries include Prison, Shelter, Nursing Home, Youth, Performing Arts, Education, Leadership and Community Empowerment.
